I have discussed the decision with my parents, and we are requesting enrollment in the selected Academy. I realize I must meet all requirements to remain in the program. Failure to follow rules and meet minimum requirements will result in my dismissal from the program. If I am attending a school that is not my zoned high school, I must provide my own transportation. I must also fill out a Special Pupil Request for Academies (SPA) every year and have it approved. If I am dismissed from the program and attending a school which is not my zoned high school, I realize I must return to my zoned high school at the end of the week upon dismissal from the program. Students acceptance in the academy is contingent upon successful completion of the previous school year, attendance, GPA, discipline record, and FSA scores. If a student must take Intensive Reading or another remediation course and their schedule does not allow for the Career Academy class, they will not be accepted into the academy. By submitting this application, **I am making a commitment to attend the Career Academy I selected if accepted.**
