

APPENDIX “A”
NON-DEGREED VOCATIONAL TEACHER
QUALIFICATION AND TRAINING REQUIREMENTS
(Reference 6GX-10-2.09)

- A. Non-degreed vocational instructional personnel employed by the School District of Clay County shall meet the qualifications and training requirements as outlined herein as authorized by Section 1012.39, Florida Statutes.

- B. Non-degreed vocational instructional personnel are those staff members whose qualifications are established on the basis of occupational expertise in the non-degreed areas of Agriculture, Business, Health Science, Family and Consumer Science, Industrial, Marketing and Public Service Education based primarily on successful occupational experience rather than academic training, and who are assigned to teach only those vocational courses which the Florida Department of Education Course Code Directory specifies Non-Degreed Vocational Instructor as the appropriate infield certification area. The qualifications, application and employment procedures for part time non-degreed vocational teachers are the same as those outlined below:

- C. Qualifications for initial temporary district certification as a non-degreed vocational teacher in the School District of Clay County are as follows:
 - 1. Fingerprinting: A complete set of fingerprints shall be submitted, approved and cleared in the same manner as required for non-instructional personnel by Section 1012.32, and 1012.39, Florida Statutes.

 - 2. Occupational/Educational Qualifications: The teacher must hold at least a high school diploma, or the equivalent based on general education development test or other achievement tests approved by the state board, which establishes the equivalency for a high school diploma, (and establishes the minimum) competency in the area of assignment based on the following criteria:
 - a. Occupational/Educational Qualifications shall be established in the area of assignment by one of the plans specified below:
 - 1) Plan One: Must possess at least six (6) years of full time occupational experience or the equivalent in part time experience in the occupational field of the teaching assignment; or

 - 2) Plan Two: Must possess a minimum of two (2) years of full time occupational experience or the equivalent in part time experience in the occupational field of the teaching assignment combination with one of the options listed below:
 - a) A bachelor’s or high degree. The degree must have been completed at an accredited institution as specified in Rule 6A-4.003, FAC, with an undergraduate or graduate degree major related to the instructional assignment; or

 - b) Thirty six (36) semester hours of college credit. The college credit must have been earned at an accredited institution as specified in Rule 6A-

4.003, FAC, in skills or theory courses related to the instructional assignment; or

- c) Successful completion of a program of training. The training program must be specific to the area of assignment and completed at post-secondary vocational or technical institution approved by the state board or vocational education in the state where the institution is located; or
- d) A valid certificate, registration, or license, which was issued by a recognized city, county, state, or national credentialing agency in an area specific to the area of assignment. The appropriateness of credentials and credentialing agencies will be evaluated by the Director of Applied Technology and/or the Local Occupational Advisory Committee; or
- e) A certificate of completion of an apprenticeship as established by the United States Department of Labor, the Florida Department of Labor, or any state apprenticeship department, which is specific to the area assignment; or
- f) Thirty (30) semester hours of college credit. The college credit must have been earned by the occupational competency tests (NOCTI tests) in the area of assignment at an institution, which is approved by the vocational educational section of the state department of education in the state where the institution is located; or
- g) A written verification of the candidate's occupational competency. The verification of occupational competency shall be assigned by the district Director of Applied Technology and the chairperson of the occupational advisory committee, specific to the area of assignment. The verification shall include a listing of all current members of the advisory committee and verification that the candidate was endorsed by a majority of the membership.

b. Other Requirements:

- 1) Occupational experience shall be gained as a wage earned after age sixteen (16);
- 2) The occupational experience shall be verified by former employers. In the case of self-employment, experience in a family-owned business, or experience at a firm no longer in business, the experience shall be verified by an individual knowledgeable of the applicant's service. Employment verification shall not be accepted from the applicant or family members. The verification shall be provided on business stationery or by a notarized affidavit(s). Such verification shall specify the dates of employment, job title(s), and whether such experience was full time or part time. When employment was part time, the number of hours worked per week shall be included;
- 3) When occupational credentialing is required for approval of the program to which the teacher is to be assigned or for programs in which students are expected to attain an appropriate level of employment, the teacher applicant shall be required to present the appropriate valid certificate, registration, or license described in subparagraph C, 2, a, (2), (d) above; and

- 4) Recency of experience or training shall be required in the occupational field of the teaching assignment as follows:
 - a) At least six (6) weeks of occupational experience gained within the five (5) year period immediately preceding the date of application for district certification; or
 - b) At least three (3) semester hours of college credit earned within the five (5) year period immediately preceding the date of application for district certification. The college credit shall be earned at an accredited institution as specified in Rule 6A-4.003, FAC, and shall be completed in skills or theory courses related to the instructional assignments; or
 - c) Completion of a vocational training program as described in subparagraph C, 2, a, (2), (c) above, or completion of an apprenticeship program as described in subparagraph C, 2, a, (2), (e) above within the five (5) year period immediately preceding the date of application for district certification; or
 - d) One (1) year of successful teaching experience in the program area of assignment during the five (5) year period immediately preceding the date of application for district certification.

D. Local Occupational Advisory Committees

1. The Director of Applied Technology may appoint local occupational advisory committees consisting of three to five members, at least three of which include a teacher in the occupational (a closely related) field, one district or school based administrator, and one member of the occupational field selected from local industry. The chairperson will be selected by the Director. The membership will change with the occupational area under consideration. All members on the committee will have a vote, with decisions being made by a majority vote of the members present.
2. The Clay County Occupational Advisory Committees will meet, when directed by the Director of Applied Technology and the Director of Instructional Personnel Services, to evaluate the acceptability of occupational experience required for issuance of an initial three year Clay County Non-Degreed Vocational Certificate. The written recommendation for issuance of an initial district issued certificate will be signed by the Director of Applied Technology and the chairperson of the Occupational Advisory Committee. The written recommendation shall include a listing of all current members of the advisory committee and verification that the candidate was endorsed by a majority of the membership. Action of the committee will be taken pursuant to Florida Statutes 1012.39 and the policies of the School District of Clay County.

E. Categories of District Certification

1. Temporary. A teacher shall be considered to have met minimum qualifications for initial certification as a non-degreed vocational teacher for a period not to exceed three (3) years, or a period of time established by the State Board of Education, when basic qualifications, as outlined in Section C above, have been successfully met and the individual employed by the district. This time period may be extended by a period not to exceed two (2) years under extenuating circumstances in accordance with 6A-4.004, FAC, and as defined below:

a. Extenuating Circumstances:

Up to two additional one-year nonrenewable certificates may be issued to an applicant when serious illness, injury or other extraordinary extenuating circumstances beyond the control of the applicant prevented completion of requirements. The certificate shall be issued when the following conditions are met:

- 1) The applicant completes the application requirements as specified in Appendix C, and
 - 2) The Florida District School Superintendent or the chief administrative officer of a state supported or nonpublic school submits a written request for issuance of the certificate that explains the extenuating circumstances. In case of illness or injury, a physician's written verification shall be submitted.
2. Regular: A non-degreed vocational teacher shall be considered to have met the requirements for full certification for a period not to exceed five (5) years when the individual has successfully met requirements outlined in sections C, D and G, 1 below.

F. Terms of Continued Certification

1. Requirements for Regular District Certification: The non-degreed vocational teacher will be required to complete the following to meet the district qualifications for regular district certification for a five year period:

a. During the first full year of employment, the teacher will participate in an orientation program comparable to the Teacher Induction Program as required for certificated teachers in the district.

b. The teacher must successfully complete one of the plans specified below.

1) Plan One. Must complete twelve (12) semester hours of college credit in education as specified below:

- a) Three (3) semester hours in Principles of Vocational - Technical Education;
- b) Three (3) semester hours in Vocational Instruction Evaluation;
- c) Three (3) semester hours in Special Methods in Vocational–Technology Education.

The methods course shall include course construction, lesson planning, and management and safety procedures for the vocational classroom and laboratory; and

- d) Three (3) semester hours in Introduction to Vocational Special Needs Education.
- e) Three (3) semester hours in Selection and Guidance of Vocational Students.
- f) Three (3) semester hours in Cooperative Education.

NOTE: Any alternative or substitution to the courses listed above must be done with prior approval of the Director of Applied Technology and the Director of Instructional Personnel Services.

- 2) Plan Two: May complete a district vocational teacher education program, which is approved as part of the District Master In-service Plan. The program must include in-service components submitted by the Director of Applied Technology and subsequently approved as part of the District Master In-service Plan and contains a minimum of 240 in-service points, which are equivalent to twelve (12) semester hours.

2. Maintaining Certification

- a. The non-degreed vocational teacher who has obtained the regular district certification may renew the certificate in accordance with State Board Rules for other full time instructional personnel by the completion of a minimum of six (6) semester hours of college credit, which shall include three (3) semester hours specific to each area of the teaching assignment(s) before the expiration of the five year regular certificate. The non-degreed vocational teacher may participate in the District Master In-service Plan to earn an equivalent amount of in-service points as other full time instructional personnel in lieu of the college credits.

3. Removal of Certificate

- a. When the Superintendent has cause to believe that a holder of a certificate issued by the district is guilty of any offense specified in 6GX-10-2.17, and investigation shall be conducted in accordance with 6GX-10-2.17.
- b. Should such an investigation result in a finding of probable cause, the Superintendent may issue an order revoking or suspending the certificate.
- c. The certificate holder shall be advised of the charges and of the findings and may appeal the decision of the Superintendent in accordance with the Administrative Procedures Act, Chapter 120, Florida Statutes.
- d. Suspension or revocation of a certificate or the non-renewal of a certificate shall constitute cause for termination of employment.
